

lirio

By the Numbers

Lirio combines the power of behavioral science with artificial intelligence to drive positive behavior change and move people toward better health.

That's why we're here; we believe everyone deserves a better life and a healthier future. We're a dynamic team of change-makers who bring our whole selves to the mission of personalized care through the responsible use of technology. And, we have some fun along the way.

We Stay Involved

Our people support **100+ community and affiliate organizations** across the healthcare, AI, and behavioral science industries.

We Remain Connected

We have optimized our hybrid work environment to ensure our people have lots of opportunities to meet and get to know one another. This is possible through a few community initiatives, including:

LiriOlympics

Fierce medal competition across events like Cookie Gymnastics, Paperclip Wrestling, Word Jumble, and more.

Emerging Leaders

Customized, world-class training program focused on growing leaders to foster culture and create engaged, high-performing teams.

CEO Face-to-Face Meeting

One-on-one virtual outings with Lirio's CEO, Marten den Haring, to develop rapport and talk strategy.

Company Step Challenge

Team-based competition to encourage movement, camaraderie, and healthy habits. Over the course of one year, Lirio employees clocked **11,277,586 steps totaling 5,012.3 miles**.

This or That
